The Finnish Association for Real Estate Valuation welcomes all valuers from the Baltic Sea Area and from further away to the 36th Baltic Valuation Conference

The conference will be held in Espoo, locating next to Helsinki, on 10–12 September, 2026

The theme of the conference is: "AI in everyday valuation", covering aspects like :

"AI in price model development and value estimations"
"AI agents in valuation procedures"
"AI and data"
"AI and valuation standards"
"AI Legislation & Rules & Ethics"
"AI in market analysis"
"AI in valuation report preparation"
"AI enhancing the valuation business"

The list above is not exhaustive and other perspectives of AI are taken into account. Also presentations covering other topics are possible.

Call for abstracts: the last date for submission is June 1st, 2026. The abstract is expected to be 200–300 words long. The abstracts will be published in a detailed conference programme.

The web page for submitting the abstract will be opened soon at https://skayry.fi/bvc-2026/.

More detailed information is coming soon, about the venues, hotels, travelling, programme details etc.
